We auction your whisky bottles into the whole world.

In only four steps we sell your whiskies.

Easy, fast and reliable.

1. Bring or send your whisky bottles to us. Ten times per year we are on whisky tour through Germany. If you have at least 30 bottles we pick them up directly at your home.
2. We place your bottles into our WhiskyAuction for at least four weeks. (In 'My Postings' you have the possibility to follow your bottles only during the current auction.)
3. We send the whiskies worldwide to all the winners and draw the invoice amounts.
4. The payment of the auction result to you by bank transfer is made two days after the auction has closed. For auction fees and further details please see here: http://www.whiskyauction.com/auction/einlif_e.html
